Dear Werner,

Received your cablegram a week ago-through
have not received any money as yet from Switzerland.
Hope it will get here soon.

Now for good news- your affidavit has been
filed and you can apply at once for your visa- Am sure
it will be only a very short while until you will be
notified from ~~kaxx~~ there. Good luck to you until we meet
in the U.S.A. Please give all the assistance you can to
my brother H. I really think you will, because I will
make it good with you later.

Please address your next letter to
